

**ARE YOU READY TO HUNT SOME  
MONSTER TROPHY WHITETAILS?  
THEN LET'S GO!!!**

Dr. Jimmy Steger and Brock Cross along with the rest of Team MTW will help you harvest a Buck of a lifetime. All you got to do is book your hunt and get ready. So what are you waiting on?

Dr. Jimmy Steger has pulled the string on some of the largest whitetails in the country and is ready to guide you on a Hunt of a lifetime.

The MTW Ranch is located in NE Ohio and yes we got some Big Bucks walking the property. Unlike some hunting operations, that are not really sure what they have to offer. We know what we have because we have the proof on our game cameras and of course a lot of MTW's on our walls as well. Dr. Steger and Mr. Cross have over 65 years of combined experience in the world of hunting big whitetails and have been guiding successful whitetail hunts for over 30 years.

Great property combined with good land management and the right food sources makes our property pristine for Big Bucks'. Dr. Jimmy Steger has hunted Big Whitetails all

over the US and taken a lot of really big bucks. However when it came time to deciding where Monster Trophy Whitetails was going to put its first ranch, OH was our choice because of the body and antler size of these northern whitetails.

Great food, great accommodations and 1st class guides make The MTW Ranch the perfect place for you and your family to hunt and harvest the Buck of a Lifetime. We look forward to having you come hunt with us this season, so don't delay, book your hunt today and get ready for an exciting hunting experience with Team MTW.
